~~~~~ Saint George Feastday April 23 :

Little is known about George, who was killed for his faith in Palestine at the beginning of the fourth century. Believed to be a soldier in the Roman army, he was involved in the organization of a Christian community at Urmiah (modern Iran), and visited Britain on an imperial expedition. During the reign of Edward III (14<sup>th</sup> century), he was made a patron of the kingdom. George is also patron of several Mediterranean and European countries and cities, and the Boy Scouts. George has figured prominently in popular feasts and folklore: 12<sup>th</sup>-century literature hailed him as the dragon-slayer. During the Middle Ages, he was a popular patron of knights, soldiers and crusaders, who adopted what was called St. George's Arms, a red cross on a white background. The red cross appears on the modern Union Jack.

~~~~~ Please pick up cards at the church entrance table: Prayer for Priests & for Vocations.
