JANUARY Special Intentions of Pope Francis: Dear Father, As we start a new year, we ask you to bless us with true human fraternity. We pray for all those suffering from religious discrimination and persecution. May their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

On February 11, 2022, we observe World Day of the Sick. We pray that all who suffer – in mind, body and spirit – be brought to the fullness of health. We also pray for all caregivers, in their various professions, that they be blessed with strength and perseverance in their ministry of healing.
