~~~~ We are all aware Pope Francis is in Canada this week to visit survivors of Indigenous residential schools.

This is potentially a highly triggering event for those who have been sexually abused by clergy. We recognize that survivors of Indigenous residential school abuse will also be impacted by the visit.

Therefore the archdiocese is asking each parish to be keenly aware of the potential need for resources for victims of clergy sexual abuse.

If you are in need of support of any kind including simply the answer to troubling questions you might have, please know that you can speak with your parish priest or contact resource persons put in place by the archdiocese at this particularly fragile time.
