April 23rd is the feast day of Saint George, martyr, (about the year 303). Saint George is the patron saint of several Mediterranean and European countries and cities, and the Boy Scouts, and, of course... of our Parish! George has figured prominently in popular feasts and folklore: 12th- century literature hailed him as the dragon-slayer. During the Middle Ages, he was a popular patron of knights, soldiers and crusaders. Saint George, pray for us.
