“Then repay to Caesar what belongs to Caesar and to God what belongs to God.” (Mt 22:21)

This Sunday, which is World Mission Day, has the following theme: “Hearts on fire, feet on the move” (Lk 24:13–35). Pope Francis is amazed by the eternal youth of a Church that is always going forth. In his message, he says: “The image of ‘feet setting out’ reminds us once more of the perennial validity of the missio ad gentes, the mission entrusted to the Church by the risen Lord to evangelize all individuals and peoples, even to the ends of the earth. Today more than ever, our human family, wounded by so many situations of injustice, so many divisions and wars, is in need of the Good News of peace and salvation in Christ.” Pope Francis explains to us that the Pontifical Mission Societies are rooted in a twofold love namely Christ’s love for us and our love for Christ: “All of us can contribute to this missionary movement: with our prayers and activities, with material offerings and the offering of our sufferings, and with our personal witness. The Pontifical Mission Societies are the privileged means of fostering this missionary cooperation on both the spiritual and material levels. For this reason, the collection taken on World Mission Sunday is devoted to the Pontifical Society for the Propagation of the Faith.”
