Finance Council News Letter

A huge thank you to all who donated to make the yearend income receipts exceed the expenses to create a positive net amount!

The Finance Council was created to "take" the need to discuss money items away from the discussions at parish council. Prior to its creation, parish council was spending most of their meeting discussing church finances and very little time was left to discuss faith issues. When the hall was built, a building committee was created but the committee no longer exists. The Finance Council is responsible for maintenance of the parish hall, rectory and church.

The Finance Council is also responsible for fundraising. The members of the Finance Council are looking for individuals who might have ideas with regard to fundraising. As well, the Council would welcome individuals who are willing to lead fundraising events. (Some ideas have been put forward, but require someone to "take the lead" to implement the event!) Call Fr. George 1-306-727-3280; Ben Pasloski 306-640-7449; Bev Monea 306-640-8522

DID YOU KNOW: The utility amount paid for the hall, church and rectory was \$ 23,750.24 for 2023
