Development & Peace Bulletin Announcements

This Lent, let's work toward Reaping our Rights

This year, Development and Peace — Caritas Canada's Create Hope: Reaping

our Rights campaign calls you to stand with small-scale farmers and peasant communities who feed the world while caring for the Earth.

Do this by: 1. Donating online at devp.org/give or during the Solidarity Sunday collection on March 17, the fifth Sunday of Lent. Your generosity helps support over 73 projects in 36 countries around the world! (There are special envelopes in your offerings box Mar 17)

2. Learning more by reading the Mini-magazine and other resources available at devp.org/lent/resources.

Denouncing Oil Pollution in Nigeria

Nigeria is Africa's largest economy and biggest oil producer. Despite oil exports worth billions of dollars, millions of Nigerians remain in poverty and face food insecurity. In the south, pollution and contamination by the oil industry are causing great hardship.

Development and Peace — Caritas Canada's partner Health of Mother Earth Foundation (HOMEF) defends farmers' rights and helps protect their lands. To learn more about the work of HOMEF, read our [Mini-magazine](#) and watch the [video at devp.org/lent](https://devp.org/lent).

Training next-generation farmers in Indonesia

In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty.

Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women.

This Lent, meet our solidarity visitor Karno Batiran, the executive director of PAYOPAYO. Learn more at devp.org/lent.
