~~~ #4 Announcement: LIFE CHAIN: On Sunday, OCTOBER 4, Canadians will gather at 375+ locations nationwide to peacefully raise awareness about the truth of abortion during Life Chain, now in its 35<sup>th</sup> year in Canada. Our local Life Chain will be from 2 – 3 PM, at 100 Block Center Street, East Side, Assiniboia. Upon arrival, you will be greeted by the organizer and given signs to hold with messages such as “Abortion Kills Children,” “Abortion Hurts Women,” “Jesus Forgives & Heals,” and “Adoption: A Loving Option”. Please spread out along the sidewalk and spend time in quiet prayer. This is a unique, family-friendly event advocating for innocent pre-born children. As Christ reminds us in Matthew 25:40: “As you did it to one of the least of these my brothers, you did it to me.” Muriel Fehr 306-354-7344

~~~ Do you know Development and Peace — Caritas Canada?

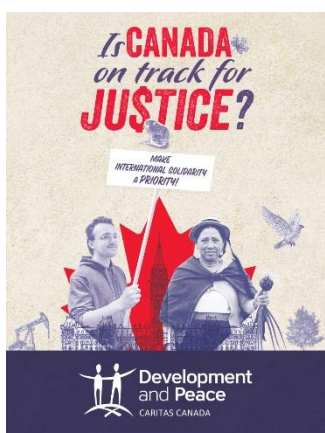

Development and Peace — Caritas Canada, the official international development organization of the Catholic Church in Canada, is a democratic movement for global solidarity rooted in Catholic Social Teaching.

Development and Peace — Caritas Canada addresses the root causes of poverty, oppression and inequality by working with partners in the Global South and by mobilizing Canadians in the common struggle for justice and dignity.

The organization also champions women and social movements as key agents of lasting change. To learn more, visit [devp.org](http://devp.org).

*Is Canada on Track for Justice?*

This fall, Development and Peace — Caritas Canada (DPCC) encourages you to take part in its *Is Canada on Track for Justice* campaign to call on the Government of Canada to increase funding for official development assistance at a time when the world is facing multiple crises and aid for impoverished countries is becoming increasingly scarce.

Together, let's make international solidarity a priority through three simple actions:

1. Become a member of DPCC;
2. Meet your MP;
3. Organize an awareness-raising event in your community.

September 27, 2026 / Take action to keep Canada on track for justice

While the most vulnerable populations in the Global South are facing an increase in conflicts, climate change, and the plundering of resources, funding for international aid and development is on the decline. Like many countries in the Global North, Canada has announced cuts of \$2.7 billion to official development assistance over the next four years. This affects health and education systems, exacerbates poverty, and widens inequalities in the poorest countries. We are already seeing the repercussions on a global scale.

Together, let's make international solidarity a priority. Watch the campaign video from Development and Peace — Caritas Canada to learn more: [devp.org/campaign](http://devp.org/campaign).

October 3, 2026 / International solidarity matters

Do you believe in the dignity of the human person? For Development and Peace — Caritas Canada, this Catholic social teaching principle is at the heart of our work. With the support of the government and generous donors, we carry out transformative programs and projects in more than 30 countries around the world.

This aid is invaluable—and even lifesaving—for many impoverished communities. It can help save children's lives in Somalia through treatments for malnutrition and promote gender equality and women's civic participation in the Democratic Republic of the Congo.

We need your support to make this possible. Join the movement today!
