Development & Peace-Message for the week of April 22nd
April 22: World Earth Day

Development and Peace - Caritas Canada supports the Leap Manifesto, a hopeful call for the transformation of Canada's current economic model, towards one that is based on energy efficiency, renewable energy, and social and economic justice.

The Leap Manifesto was launched in 2015, the same year as Pope Francis' encyclical *Laudato Si*, as the international community was preparing for the Paris Climate Conference (COP21). Both *Laudato Si* and the Leap Manifesto invite us to join the movement for a better world, recognizing that it is possible to tackle both the environmental crisis affecting our planet and the inequalities that create such extreme poverty.

Leadership Through Sacrifice

Sacrifice seems to be an ugly word these days. No political leader dare breathe the word, lest he or she loses the next election. No media star or technological CEO dares mention the concept, lest they be called "hypocrite." In these days of the hyper-economy and the "ME!" culture, the notion of giving up a desire or putting off a pleasure for the good of others is "verboden." Self-indulgence, not self-giving, is society's keyword.

Yet, beyond the self-absorbed veneer of culture, people are willing to give up for something greater. They are willing to sacrifice for those they love and for that in which they have faith. Sacrifice is the yardstick that measures one's character and values. Self-giving proves the worth of one's words and intent. Just how far should we be willing to sacrifice for others and for our ideals? Look to Jesus for the answer.

Jesus gave his all for us. He did it for love. The love he had for the Father. The love he had for all people. In that love he claimed his place as the Good Shepherd.

We are to shepherd in the same fashion, to sacrifice out of love. We are to lead by giving of self for the good of others. More important, we are to lead in a way that brings others to Christ and through Christ to the Father. So we can lead in this fashion, we need to sacrifice self interest and ego. But the rewards of love make that sacrifice worth the cost.

What sacrifices have you had to make to lead others to Christ? What sacrifices are you willing to make now? Look to the next week. Plan your sacrifice for the good of others.
