Message for the week of August 19, 2018

August 19: World Humanitarian Day

Humanitarian crises are increasingly longer and more frequent. Every year, millions of people around the world find themselves caught in the grip of conflict or affected by natural disasters. On this day, let us also highlight the work being done by humanitarian aid workers who are sometimes targeted or encounter difficulties as they try to assist those in need. To help us act as soon as a crisis occurs and put in place sustainable solutions, join our monthly giving program Share Year-Round. For more information, contact the Development and Peace representative in your parish or call 1-888-234-8533.
