In Today's Gospel, our Lord shows us the power of faith. When we entrust everything to Him, He cannot help but be moved by it.

Let's pray today with all our hearts for the Catholic Church to be a true reflection of God's love and mercy for others. Let's ask our Lord to break through the injustices that occur around the world, and bring hope to all of those who suffer. Development and Peace, the official international Development organization of the Catholic Church, invites you to join a movement of faith and justice. Your faith, your prayers and your actions can move mountains! Check Development and Peace's website and become a member today:
