Development and Peace CARITAS CANADA :

August 27 : Matthew's Gospel teaches us to recognize who our Lord
really is, and challenges us to use this knowledge to act accordingly.

Let's pray that we will see Jesus in everyone around us, especially
those who are most in need. Development and Peace's work is guided
by the Catholic Social Teachings, particularly the inherent Dignity of
the Human Person as created in the image and likeness of God. When
we recognize this truth, our care for others is enhanced. Join us in our
mission to call for a different type of development; one that is
concerned for the integral well-being of the human person.

September 3 :

“Whoever wishes to come after me must deny himself, take up his cross, and follow me.” (MT 16, 21-27) Jesus invites us to follow his example and think less of ourselves and more about those around us. He invites us to live a life of service and align ourselves to His will so we can discover true fulfillment in Him. This month, Development and Peace is launching our Fall Action Campaign. This year’s campaign focuses on the role of women in peace processes. We would like to invite you to take this opportunity to live out your faith in concrete ways, speak up for those who are victims of violence, and stand in solidarity with the women and men that together are building a more just society. Trust God, pray for courage and act out of love! Contact your parish Development and Peace representative or call 1 844 480 3387 and ask about the ways you can be part of this action for change.
