Let's ask the Father for the grace and the courage to live out these words of Jesus from the Sermon on the Mount :

" Love your enemies, do good to those who hate you,
Bless those who curse you, and pray for those who mistreat you ...
Be merciful just as your Father is merciful ...
Do not condemn others, and God will not condemn you;
Forgive others, and God will forgive you. "

Luke 6:27-28, 36-37

The key to loving our enemies is to pray for the grace to do this, to pray for them, and to see them as God sees them.

Everything you Need to be Happy is within You

It was Sydney Smith who said, To love and be loved is the greatest happiness of existence. I believe him.

At the end of the day, there's only one thing that can make you happy. It's called love. A cliché? So what? It's the truth. You're born for love.

You're designed for it. Every cell of your body, every part of your soul is created for love. I'm shouting it from the rooftops: Only love can make you truly happy...

Surround yourself with love. And practise it daily!

People in their deathbeds never say, "I wish I bought a Ferrari," or "I wish I spent more time in my office..." Listen to people in their dying hour and you'd hear the same regret: "I wish I spent more time loving..." I believe that relationships are the most important things in our lives—more important than all the wealth in the world.

By the way, how many of you have

tried to quench your thirst with salt water? Don't bother trying. It doesn't work.

The only thing that saltwater does is make you even thirstier.

Money is like saltwater. No amount of money will quench your inner thirst for love and happiness. It'll only make you thirstier. You want more and more and more until you drop dead from spiritual malnutrition.

Learn to love everyday!

Let this be your highest ambition in life: To be a great lover! So when the money comes, you'll make money a servant of love.

Everything you need to be happy is within you.

Ask yourself: Are you a loving person? Are you kind, generous, forgiving? Do you love yourself too? Rate yourself from 1 to 10, with 10 being most loving. You'll notice that your score will be your score for personal happiness too.
