Assiniboia and District Pro-Life meeting - Tuesday, January 23, 2018, at the Messiah Lutheran Church, starting at 7:30 p.m. All who are interested are welcome to come to see what pro-life is doing and to share your ideas. One thing we will be doing will be starting to plan the spring banquet which will be on Sunday, May 6, 2018.

▷ Thirty years ago this month the Supreme Court struck down the federal law regulating abortions, making it possible for women to get an abortion for any reason. This is a time when those who are concerned take time to reflect on the lives lost because of abortions. They also wear a Green Ribbon to show their concern. Green ribbons will be available at your church on the week-ends of January 21 and 28. Also there will be some other information you can take. Please take and wear a GREEN RIBBON to show you care about lives lost through abortion. Please pray for an end to abortion, for mothers facing a difficult or crisis pregnancy, and for those organizations that help in these situations.

There are also other issues relating to pro-life and family for which we urge your prayers, attention, and reflection. These include assisted suicide and attacks on the traditional family. Please pray for the true prophetic witness relating to these issues and witness to the truth on these matters. Please wear a GREEN RIBBON to show you care.

Personal Commitment and Conversion

"I promise . . ." Those words lie at the base of our moral character. Not only do they require that our deeds match our words. They demand that we change to match our words. The vows of marriage mean abandoning the single life. A job change or school choice means old friends and habits are lost. Even a brief moment that shows moral strength can resonate throughout our lives. Consider how many lives have been changed because of a simple moral lapse in a fleeting moment.

In truth, we have all made false promises and wrong moral choices. Faced with these facts, can we change for the better? In Mark's gospel, Jesus proclaimed a renewal of moral character based upon a simple invitation: "Follow me".

"Follow me." The invitation Jesus gave his early followers is the same he makes to us now. He invites us to change and believe. We need to realize he not only

give us the challenge, he gives us the means to abandon our former life of sin and to trust in God. He gifts us with the Spirit. So, the call of Jesus is not only a direction; it is a helping hand. Human frailty may trip us from time to time, but the Lord will not disappoint. When we follow the Lord, he leads us and sustains us.

"God has committed some work to me which He has not committed to another.

He knows what He is about.

O my God,

I put myself without reserve

Into your hands."

A reflection by Cardinal Newman
