Assiniboia & District Pro-Life :

Think about this.:

Every time there is an abortion a human dies. Do we know who we are casually losing through abortions ? Steve Jobs, founder of Apple Computers, almost was aborted, but was adopted instead.

Take a green ribbon and reflect on life and love lost through abortion and the need to work for the respect for the life of each person.

Assiniboia & District Pro-Life Meeting.:
Tuesday, February 7, 2012, at the Assiniboia Apostolic Church, starting at 7:30 pm. All interested people are welcome. We will be working towards the spring banquet on April 22 and also looking towards the provincial conference April 13-14 and the March for Life in May.

Fourth Sunday in Ordinary Time

Dt 18:15-20 / 1 Cor 7:32-35 / Mk 1:21-28

Anyone who has served as a substitute teacher or baby-sitter or interim manager or even guest preacher knows the challenge of stepping into a role of authority over people who aren't familiar with you. It's possible they will hear your message or lesson plan with anticipatory ears, awakened from their usual routine. More likely, though, will be complaints: "Our teacher doesn't do it *that way*," or "That's not how Mom makes our grilled-cheese sandwiches," or "Our pastor doesn't preach *that long*!"

Jesus had a similar experience in the synagogue in Capernaum. It was customary for men in the community to take a turn teaching in the synagogue. However, Jesus' teaching was like none the people had heard before—he spoke as one with authority. You can imagine the murmurings that traveled among the hearers, "Our scribes don't teach that way." "That's not what we're used to hearing!" One unclean spirit even confronted Jesus.

Certainly this wouldn't be the last time Jesus' teachings led him into controversy. His continual challenge of the status quo eventually provoked those in power to send him to the cross.

But the Gospel reports that the people in Capernaum were "amazed" at his new teaching. Most responded with awe and respect for his profound words.

We who have been Christians for a while may think we know this Jesus and his teachings. We may have decided what his message is, and we may have constructed for ourselves a simple Christianity that just requires us to be "nice" to others.

But are we willing to hear Jesus with new ears? His teachings are challenging, and they ought to shake us to the core. Will we, too, be amazed?
