

DEVELOPMENT AND PEACE Message for week of July 15th
July 17: World Day for International Justice

The Gospel of Matthew teaches us to recognize who our Lord really is and challenges us to use this knowledge to act accordingly. Let's pray that we will see Jesus in everyone around us, especially those who are most in need. Development and Peace's work is guided by Catholic Social Teaching, particularly the inherent Dignity of the Human Person as created in the image and likeness of God. When we recognize this truth, our care for others is enhanced. Join us in our mission to call for a different type of development; one that fosters the integral development of the human person and promotes justice for all.

July 18: Nelson Mandela International Day

In November 2009, the United Nations General Assembly declared July 18 to be Nelson Mandela International Day in honour of the former South African president's work for peace and freedom. In 1990, upon his release from prison, Nelson Mandela thanked those who supported him in the struggle against apartheid, including Development and Peace - Caritas Canada. Gabrielle Lachance, then Executive Director of Development and Peace, was appointed to the Nelson Mandela Fund's Board of Directors. Let us take this day to recognize the struggles of those fighting oppression and injustice.
