Eleventh Sunday in Ordinary Time: June 14th

Like the sower in today's Gospel, I scatter as seed my gifts of time, talent, and resources; and I trust that, by God's grace and in God's time, these small gifts of myself may grow and flourish and help to bring about the kingdom of God.

OptionS Pregnancy Campaigns

The 2015 OptionS Pregnancy campaigns run from Mother's Day, May 10, 2015 to Father's Day June 21, 2015. Note: These campaigns will be extended to the end of June. All funds raised go to the OptionS Pregnancy Center which provides a place where woman can come and not be judged for being in an unplanned pregnancy. The Center

strives to let the woman know she is valued and cared about no matter what her choice. At OptionS they have found that a woman can make a better decision for herself and her baby when she realizes her self-worth. The outreach program provides services to women in southern Saskatchewan and Regina area.

Your financial contribution through our 2 campaigns will continue to help us reach the lives of women in Southern Saskatchewan with truth, compassion, and informed choices about their pregnancies.

ELEVENTH SUNDAY IN ORDINARY TIME (B)

Ez 17:22-24 / 2 Cor 5:6-10 / Mk 4:26-34

I have a good sense of direction. If I drive by a place, I can usually find my way back, walking or driving as much by instinct that says, "I think it's over that way a little," as by any street names or landmarks. I like following unknown paths in the woods just to see where they lead. I almost always find my way back with a minimum of backtracking.

This bothers my husband, who is a firm believer in maps, map apps, and GPS voices telling him when to turn. Often he ignores them to take a different route, but he is comforted by their presence and reliably gets from point A to point B.

"We walk by faith and not by sight," St. Paul says. He may not have had a store in mind, but in a very real way he was talking about getting from point A to point B—from our wandering in this world to our home with God. He was talking about making it out of our spiritual woods into the light of day and making discoveries along the way.

We see as human beings do and not as God does. Paul suggests we find our way through our faith in God, who is light in our darkness, the path on which we walk, our goal and destination.

Our longing to know where we are going is satisfied when we realize we are going to him. Some will take detours and get utterly lost. Others will rely on maps, and still others will follow those who have gone before—the saints who are our examples or Christ himself. Walking by faith isn't easy, but God will get us to where we are going if we trust in him.
