**50 years of Share Lent!**

On Ash Wednesday, Development and Peace - Caritas Canada launched its 50th annual Share Lent campaign, entitled Women at the Heart of Change. Since the Organization's founding in 1967, money donated annually by Catholics during Share Lent provides essential support to the poorest populations of Africa, Asia, Latin America and the Middle East. Today, Development and Peace supports 173 partners and 194 projects in 46 countries around the world!

You can make Share Lent a part of your family's Lenten journey by using the Solidarity Calendar, in bulletins.

This year, the Share Lent collection will take place on April 2nd, which is Solidarity Sunday.

Did you know that Development and Peace's first Share Lent campaign took place in 1968 and raised \$1.35 million, which was used to carry out projects in 32 countries?

### Week 1: March 5

#### Women keep the land in their hearts in Paraguay

Supporting women is a priority for Development and Peace - Caritas Canada. For this year's Share Lent campaign, we invite you to listen to the voices of women who are working to build the world of tomorrow — Women at the heart of change. You will find testimonials from the four corners of the globe inside our Mini-magazine, in bulletins today.

Our first testimonial is from Marta and Silvia, two women from Paraguay who are members of an Indigenous women's farming association supported by Development and Peace - Caritas Canada.

"I wish that there was land for everyone, that women were free [and] that they had the freedom to organize and defend their rights," Silvia tells us. Women have always been at the heart of our organization! Did you know that in 1979, Development and Peace led a campaign to support the Grandmothers of Plaza de Mayo, in Argentina, whose children and grandchildren disappeared under the military dictatorship?

### Week 2: March 12

#### Women are building an inclusive society in Indonesia

This week, Development and Peace - Caritas Canada is taking you to Indonesia to meet Risya, a 22-year-old Indonesian woman who has been blind since adolescence.

Thanks to a workshop in journalism offered by our partner the Association of Independent Journalists (AJI), this courageous young woman started to use her blog to write about the discrimination faced by women with disabilities and to encourage these women to believe in their potential. AJI has offered media workshops to 170 women and now they can make their voices heard! Remember! In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims.

In collaboration with its partners, Development and Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations.
