Third Sunday of Lent: March 23rd

When Jesus asked the Samaritan woman for a drink of water, He opened the door for a life-changing relationship with Him. Scripture says her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us and be prepared for it to change our lives!

Your Parish Volunteer Protocol Committee has been working very hard to complete all necessary paperwork. Please complete all files / documents that you may have, and return them to the Parish Office / Fr. Joy.

Lent means Spring

Prayer for the good of the soul
Fasting for the good of the body
Almsgiving for the good of our neighbor

THANK YOU to all those who supported our fund raiser St. Patrick's Day Tea by your attendance and your donations of every kind. Thanks especially to Mom's Florist for the beautiful table centers which, after the brunch on Sunday, were delivered to our members who are unable to attend our functions. This has become a tradition. Thanks to Ken for his help in setting everything up. A very special thanks to our members who work long and hard to make this a successful event so we can continue to support our parish, our community and those communities in the world who so desperately need help. Thank you also to the young ladies who so ably helped in the dining room. We really appreciated it. God bless you all.

THIRD SUNDAY OF LENT (A)

Ex 17:3-7 / Rom 5:1-2, 5-8 / Jn 4:5-42

The conventional wisdom of fitness experts and health professionals is that we should drink eight glasses of water a day. This suggestion is the product of a country with the luxury of clean, abundant, easily accessible water. Some of us are so used to processed water that we balk when we have to drink well water.

Some people think bottled water is a necessity because, in their minds, it tastes better. It rarely hits home that in much of the world safe drinking water is scarce, if available at all. People who live in those areas have to make do with the little good water they have for drinking, cooking, and washing.

In the desert regions of the Middle East, wells were a source of life and a social meeting place. Asking for water took a little courage in a place where water was rare. Offering someone water was a great gesture of hospitality.

Jesus' request invited the woman's hospitality and led to so much more. She opened her life to Jesus; in turn, Jesus revealed who he was and the gift of life he brings.

Living water must have sounded like a dream to a woman with a stagnant well, and maybe it does to us as well, but we do know this: Those who drink eight glasses of water a day will eventually die as surely as those who fight for even one.

On the other hand, Jesus promises that if we drink the water he gives, we will have eternal life—for he is Living Water itself.

Have you had your glass today?
