Week 4: March 26

Women are creating a future filled with hope in Syria

This week, open your heart to the reality of women living in a country at war. Listen to the voice of Hannan, a Syrian woman who tells us how our partner's training centres are helping to change the female workforce and the financial autonomy of women in her region. "Through the training course, I personally evolved a lot as a person. Today, I dream of teaching sewing and running a learning centre."

Thanks to your support during Share Lent this year, 280 Syrians will have access to an 11-week training course in sewing and psychosocial services! Next week is Solidarity Sunday and the Share Lent collection will take place. Please, be generous! Did you know that in 1982, Development and Peace – Caritas Canada launched its first three-year mobilization and education campaign, entitled "Militarization: Obstacle to Development"?
