Nepal Earthquake Our thoughts and prayers are with the people of Nepal. On April 25th, the country experienced a destructive 7.8 magnitude earthquake. This natural disaster has caused deaths and injuries, and many are still reported missing. The tremor was felt as far as India and triggered an avalanche on nearby Mount Everest. The amount of destruction is overwhelming, and those affected are struggling for food, water and shelter. Development and Peace is working with Caritas Nepal and others Caritas members to provide aid to the population. You can contribute to these much-needed relief efforts by donating to Development and Peace. Your contribution will be matched by the Canadian Government until May 25th, 2015. You can make a donation online at www.devp.org; by phone at 1 888 664-3387; or by sending a cheque made out to Development and Peace (please indicate Nepal Earthquake) to : Development and Peace, 1425 René-Lévesque Blvd. West 3rd Floor Montreal QC H3G 1T7. Thank you for your generosity and prayers for the people of Nepal.

Lord, on this special day of days, we give you thanks for our mothers- especially for their living example of what love involves: self-giving to others, forgiving of those who hurt us, and thanksgiving to God. Give us the courage to imitate our mothers. Help us bear witness to the world- as they do- that love is ultimately a question of giving: self-giving, forgiving, and thanksgiving.

~~~~~  
God bless all Mothers today and always! May the Lord bring you joy and peace and strengthen you in your many labours and sacrifices for your families. May the gentle love of Mary, Mother of the Risen Christ, lead you to the perfection of our true home in heaven!

# Good News!

**SIXTH SUNDAY OF EASTER (B)**

Acts 10:25–26, 34–35, 44–48 / 1 Jn 4:7–10 / Jn 15:9–17

It's not often we're caught in our prejudices. My moment of reckoning came with the birth of my second daughter. My hospital roommate was a teenager giving birth to her third child. My husband and I were having trouble making ends meet, and even with insurance we'd still have hospital bills.

I resented the free care my roommate was receiving. Why can't you be more responsible? I thought. Because of people like you, my hospital bills are higher.

Reflecting back, I'm ashamed of my attitude. I held the unconscious assumption that I had a "right" to this fine hospital because I was working, could pay bills, and had insurance. Would I deny my roommate's child the level of care I wanted for my own?

The early Church wrestled with that type of question. Could Gentiles be admitted to the Christian community? They were considered unclean, and any Jew who touched or ate with them would be made unclean.

In the encounter with Cornelius, Peter comes to realize that there is no clean or unclean when it comes to people. God shows no partiality. The Holy Spirit makes a convincing argument to the believers by falling on the Gentiles even before they're baptized.

We often decide, consciously or subconsciously, who is worthy of our care or God's. But Jesus commanded us to love one another and to dwell in love, because God is love.

It's our prejudice that gets in the way.
