**The Solemnity of the Most Holy Body and Blood of Christ: May 29th**

In today's Gospel, the disciples suggest that Jesus disperse the crowd so that they might individually seek food and lodging. The miracle of the feeding of the five thousand is Jesus' powerful reminder that when we share our gifts in His name there is always more than enough!

**Dear Grade 12 Graduates:**

Congratulations on your upcoming graduation. We, the parishioners of St. George's Parish, know that you have worked hard to achieve this goal. We would like to invite you and your families to attend the Mass on June 19, 2016. Following the Mass you, your family and parishioners are invited to attend the brunch in the parish hall.

Ask and it shall be given to you; seek and you will find; knock and it shall be opened to you.  
Matthew 7:7

The Year of Mercy is an invitation to love, kindness, and unbounded generosity. Pope Francis is offering us the opportunity to encounter the incredible mercy of God. Encountering mercy means encountering God. It can transform our life, our relationships, our work, and our ability to embrace and experience all of life. Following this invitation, our Parish Pastoral Council decided to write some tidbits every once in a while in our bulletin about the year of mercy. This is for us to know more about the year of mercy (what it is, how it will help us, what should we do). For this week, let us start by knowing what the Jubilee Year of Mercy is.

#### What is the year of Mercy?

Seeing the great need for mercy and healing in the world, Pope Francis called for the Year of Mercy—a special period, also known as a Holy Year or Jubilee Year, for the Catholic Church. It is a time for the Church across the world to take approximately a year (December 8, 2015–November 20, 2016) to focus on forgiveness and healing in a special way. Pope Francis has asked us as individuals and as a Church “to be a witness of mercy” by reflecting on and practising the spiritual and corporal works of mercy (Pope Francis’ Announcement of the Year of Mercy). Beginning December 8, 2015, the Holy Year of Mercy will focus on studying and reflecting on mercy, receiving mercy, and

being merciful towards others. To read more, visit the Vatican’s official website for the Year of Mercy.

#### What is a Jubilee Year?

A Jubilee Year is when the Catholic Church across the world takes approximately a year to focus on forgiveness and healing in a special way. Catholics are encouraged to join together in prayer, go to confession, and share the genius of Catholicism with others. The purpose of a Jubilee Year is to help people grow spiritually, strengthen their faith, and encourage works of service, and to promote unity within the Catholic Church and society in general. The last Jubilee Year was in 2000, called for by Pope Saint John Paul II.

#### What is the Indulgence for the the Year of Mercy?

Like any Jubilee Year, a person can receive a plenary indulgence for the Year of Mercy. A plenary indulgence removes all of what is called “temporal punishment” due to sins that have already been forgiven. Sin and evil are real. Every sin, large or small, is in some way a rejection of the-best-version-of-ourselves and a rejection of God. “Temporal punishment” is the natural consequence of that sin, the necessary purification following forgiveness of sin. (See Catechism of the Catholic Church on Indulgences and Sin and Mercy)
