⇒ TOPIC: Walking with Women: Feminism that Frees

Jesus walked with women, talked with women, invited women into his world and his ministry and he is still calling us today. But in a world, where love is limited, and increased resources for some, means less for others, the idea of feminism is often surrounded by fear or used to tear others down. From Genesis to Galatians, we will walk with women to discover with Jesus and Paul a feminism that frees us all, at home, and around the world.

⇒ All women welcome – please bring a friend, you won't be disappointed!
