**The 2014 Archdiocesan Annual Appeal**

Campaign has officially begun ! You are soon to receive information on this year's Appeal as well as your personal donation cards. Giving is one means we have of both growing the Church, and deepening our Spiritual lives. Allow God's own generosity to bear abundant fruit through your gifts as you support your Church in the Archdiocese of Regina in her good works.

It is not always easy for us to live as generously as Jesus did. It often requires difficult choices. As vines in the vineyard require significant pruning in order to bear abundant, sweet fruit, we too are called to take stock of where our own lives might be in need of pruning so that we might grow.

# Good News!

October 5, 2014

**TWENTY-SEVENTH SUNDAY IN ORDINARY TIME**

Is 5:1-7 / Phil 4:6-9 / Mt 21:33-43

In a scene from the musical *The Music Man* the central character, Harold Hill, tells his band that if they *want* to play the Minuet in G, all they have to do is *think* the Minuet in G. He's a swindler, and when the mayor tries to prove it by having Harold conduct his band, he looks at them pleadingly and urges them to think.

To the surprise of everyone, including Harold, the band slowly (and even painfully) plays something that sounds a little like the Minuet in G and a little like many grade-school concerts, making parents proud and freeing Harold from jail.

Paul has his own version of the "think system" in today's passage from Philippians. For Paul, every minute spent thinking about that which is true, honorable, just, pure, lovely, gracious, excellent, and worthy of praise is another minute that brings us closer to the living God whose presence is evident in all these things.

It's not such a bad idea. God manifests the divine self in truth and beauty and in all the things Paul names. To reflect on these is to become more aware of his presence to us through them.

Centuries later, the Christian founders of the university where I work adopted Paul's "think system" as their motto, reasoning that our thoughts should not be directed only toward facts to grow the mind, but also toward the things that would transform our characters.

Like Harold's band, we might sound a little or a lot out of tune at first, but with practice, we will get better.
