Development and Peace CARITAS CANADA :

October 8 God has created us to yearn for fair judgement, but often we are faced with systemic injustice. We desire uprightness, but find cries of distress from our brothers and sisters who suffer in poverty. As we work to build God's kingdom, let us lean on His strength. Let us use our words and actions to empower the marginalized and live in solidarity with the most vulnerable. Let the peace of God guide our hearts in our pursuit for justice. Learn more about Development and Peace's current campaign focusing on women at the heart of the peace process, and sign an action card for peace at www.devp.org.

October 15 Through Christ's sacrifice, He has destroyed the veil which shadowed all peoples. As we make our home in the house of God by letting kindness and faithful love pursue us every day of our lives, let us aid in peacebuilding by promoting the influence of women in decision making in order to prevent conflict, create peace, and sustain security. This fall, Development and Peace is focusing on Women at the Heart of Peace. To learn more, contact your parish's Development and Peace rep or call 1 844 480 3387.

This year, **World Mission Sunday** will take place on October 22. On that day, we celebrate who we are as Christians: missionary disciples. It's a time of prayer. We are also invited to look beyond our local Church in Canada and assist through financial gifts, the missionary work needed in the young dioceses in many developing countries. An example of this work is providing health care centres, building schools, and empowering lay pastoral workers, construction of convents and presbyteries. Please pray for the missions and show generosity on World Mission Sunday.

ARCHBISHOP'S APPEAL 2017 : It is not always easy for us to live as generously as Jesus did. It often requires difficult choices. As vines in the vineyard require significant pruning to bear abundant, sweet fruit, we too are called to take stock of where our own lives might be in need of pruning. Your financial support of this appeal will enable our Church as a whole to reach out to our friends and neighbors in need and share the good fruit of the Kingdom just as Christ has done for us.

Winter Clothing Wanted

There is a new immigrant family from Nigeria who has moved to Regina (September 18). They are very devout Catholics. I have met them and had been in contact with them, through the CWL, before they came to Canada. They are in need of Winter clothing for themselves and their children – Franklin, age 14, Rita, age 11, Olivia, age 7, Frederic, age 4. They are all slender people. Ifeoma and Tony have appreciated everything that we have done for them up to this time. They have joined a parish in Regina, visited Open Doors, gone to a Job/career fair and say they are very happy to be here. They also had no furniture when they arrived so if you have an item that you are no longer using and would be willing to donate it, please let Lynn (306 642 7803) know and she will contact Ifeoma and ask if they are still in need. I will make a trip to Regina with anything that we are able to collect. Thank you and God bless
