⇒ TOPIC: Walking with Women: Feminism that Frees

Jesus walked with women, talked with women, invited women into his world and his ministry and he is still calling us today. But in a world, where love is limited, and increased resources for some, means less for others, the idea of feminism is often surrounded by fear or used to tear others down. From Genesis to Galatians, we will walk with women to discover with Jesus and Paul a feminism that frees us all, at home, and around the world.

⇒ All women welcome – please bring a friend, you won't be disappointed!

**World Mission Sunday**

**“United in Love ...**

**Let us go to serve!”**

Today, in all the parishes of the  
world, in Africa, Asia, Oceania,  
America and Europe, we  
celebrate World Mission Sunday.  
It is the Sunday of solidarity and  
sharing with our poorest brothers  
and sisters of the Universal  
Church. Today, we celebrate our  
vocation as missionaries sent to  
proclaim the Good News. For the  
1250 dioceses which are still  
under the responsibility of the  
Congregation for the  
Evangelization of Peoples, let us  
be generous so that they can  
achieve their pastoral projects for  
the poorest people. They are part  
of the more than 6,000 projects  
that are supported through this  
unique collection. Thank you  
very much for your generosity!
