.....
On Monday, Oct. 21 many Canadians will be voting for members of the House of Commons in Parliament. You are first urged to pray for this election, that fit persons will be elected to serve in the Parliament. Second all of us should get out and vote in what could be a very important election. When you vote, you are encouraged to give very careful consideration to where candidates, along with their parties, stand on matters like abortion, euthanasia, and issues surrounding marriage, gender issues, and freedom to speak on these matters. You are encouraged to vote for a pro-life candidate in this riding. Jeremy Patzer has shown strong interest and support for pro-life concerns and attended the Assiniboia & District Pro-Life meeting in May. Information on where the parties stand on matters of pro-life concerns are available at your church, or you could contact Mrs. J. Mynett (306-642-4187), who is working for no party, for information.

*Thank you,
Jeannette Mynett, Program Convener, Assinibola & District Pro-Life*

Pastoral Reflection: 29th Sunday Gospel- Luke 18. 1-8

Patience in Praying

What do we do in times of stress or persistent need? Do we keep praying or do we give up? (I've done both.) Jesus told a parable that encouraged perseverance in prayer.

"Hurry up and wait!" Famous words for the traveler. And words to be pondered in a prayer life.

Sometimes events that affect our spirit occur at breakneck speed. Others seem to take an eternity. God seems to answer some prayers now. Other prayers he answers "in the future." Many times, the prayers we need answered immediately involve eternal pressure, prejudice, or persecution. "Save us from this crisis!"

In Luke, Jesus taught God answers even these prayers. But in his own way. And in his own time. If we object to his means or his timing, can we really speak of a request in faith? Or are we really just complaining?

Constantly praying for God's will builds up not only faith (trust in God), but hope (in his will) and charity (concern for all his creatures). Praising and thanking a benevolent God strengthens trust, which, in turn, gives hope. Interceding on others' behalf deepens bonds of friendship and love. Prayer petitions based upon these other prayer types will naturally increase faith, hope, and love. They will empower us to obey God's commands.

The gospel this Sunday, presents us with many challenges. First, is our prayer petition centered on ourselves or upon God's will? In other words, are we willing to seek God's will in our lives? Only then, we will be able to sustain faith.

Second, if our prayer petition is centered on God's will, do we have the persistence to pray constantly for his will? Is our faith strong enough to trust God with an unknown future?

And, finally, are we willing to patiently wait for God to act? Will we remember that God sometimes acts at the last minute, but always the right time?

CWL are supporting the Moose Jaw Transition House
They are currently in need of full size hygiene items, such as shampoos, conditioners, body wash, etc. and adult toothbrushes.
Household and kitchen starter kits are essentially any items that a woman would need when moving into a home and has nothing. These are items such as spices, flour, sugar, baking soda, cleaning supplies (broom, dishsoap, windex, etc.) tea towels and dish clothes, coffee, tea, toilet paper, measuring cups, rolling pin, can opener, etc.
A laundry basket placed in the entrance of the church for donations.
Thank you

On this day that we celebrate the universal mission of the Church, let us entrust the mission's work to the generosity of our Father's grace; so that the Church of Christ carries out, through the commitment of the baptized people, the transformation of our world.

Today, on World Mission Sunday, we are invited to celebrate our mission’s vocation, to pray for the people who are actively engaged in mission, and to generously contribute to our worldwide mission solidarity fund through this collection. Your gift on this day helps: People in remote villages, towns and cities, through the witness and work of missionaries and local priests; Children, the elderly, refugees, the sick, and orphans through the services of religious Sisters and Brothers; To bring the Gospel to the poorest of our human family; Catechists proclaim the message of hope and peace that only Christ can give. Please offer your prayers for the work of the Church in the missions today and be as generous as you can on World Mission Sunday.
