

Development and Peace CARITAS CANADA:

September 24 God is generous to all, acting only in faithful love. We are reminded in Matthew's Gospel that the kingdom of Heaven is like the landowner who pays generously to both they who arrive first and those who come last. Likewise, let us examine ourselves, whom within God's Holy Spirit indwells, and foster a spirit of generosity and Solidarity with our whole human family. This includes advocating for the women at the heart of the peace process. Though women are underrepresented in decision making, they play unique and irreplaceable roles as peacemakers. As the percentage of women in parliament increases by five percent, a state is five times less likely to use violence when faced with an international crisis. May Peace Be with Her. Visit devp.org, or speak with your parish's Development and Peace representative, for more information on our current campaign. October 1 The Apostle Paul urges us to, out of humility, give preference to others. Judiciously, God guides the humble, instructing the poor in his prayer. As we come together in love as one heart and mind, let us stand together in our support for societies that prioritize women's inclusion, recognizing its vital role in peace. Visit devp.org, or speak with your parish's Development and Peace representative, for more information on our current campaign.

SEPT 24 : Collection for the Needs of the Church in Canada: An invitation to support the faith and evangelization mission of the Church!

The Bishops of Canada gather in four Regional Assemblies (Atlantic, Quebec, Ontario and the West), as well as in their national Conference. The Canadian Conference of Catholic Bishops (CCCB) is mandated by the Holy See and the Bishops who are its members in a number of areas of pastoral life and evangelization: faith formation and catechesis, doctrinal questions, ecumenical initiatives, international relations, interreligious conversations, liturgical resources, relations with Indigenous Peoples, social justice questions, and building a culture of life and family. The CCCB is the national assembly of the Catholic Bishops in Canada, and includes the Bishops (Eparchs) of the Eastern Catholic Churches as well.
